Five for One !

- On the same day, Gaydon is hosting ;
- the '**Gaydon Spring Classic**' - a superb show of Vintage, Veteran and Classic cars outside the Museum.
 - **The Heart of England Auto Jumble** (a new addition) which will provide plenty of interest.
 - **East European Cars and Trucks** of all types are being invited as they are having their own Rally as well.
 - A "**Boot4Ben**" - a car boot sale with a difference with proceeds going to the BEN Automotive Charity and BMIHT will be held on the Top Car Park near the Go-Karts.
 - Oh Yes..... and not forgetting all the Trojans and other assorted 2 Stroke vehicles !

The Trojans can go 'off piste' again - so with the Museum and its constantly changing Exhibits there is no excuse not to come ! There is plenty to do and see and as you know the catering facilities are superb. We have a room at our disposal upstairs if anyone wishes to use it.

Glorious Weather as seen here in 2009 has been ordered but regrettably cannot be guaranteed !
