

Trojan Owners' Club Gathering at London Bus Museum Brooklands - 21st. October 2018

The club have been invited to attend the London Bus Museum TransportFest Event outlining Leyland history

Have you ever wondered what happened to all those wonderful old buses that ran in London and which you only now see in old films and books? Well, the good news is, some of them live on! While thousands went to the scrap yard at the end of their working lives, some have found their way into preservation as living, moving museum pieces at London Bus Museum. Here you will discover the largest collection of working historic London buses in the world, a priceless heritage representing more than 150 years of public transport evolution in the capital.

The Leyland Event will hopefully encompass anything related to the long history of the Company - trucks, buses, coaches and, cars - and the scope will only be limited by whether groups such as yours choose to participate. We will be providing a suitable supporting programme which will include the operation of our and visitors' buses to off-site destinations, our own exhibition relating the use of Leyland vehicles by London Transport (buses, trolleybuses and service vehicles) - sales stalls and, additionally, providing family entertainment.

Venue - London Bus Museum, Brooklands Rd, Weybridge KT13 0QS

It is anticipated that the Transportfest on 21/10 will provide the opportunity for the biggest Leyland related event in the South of England for many years.

Trojan Owners' Club Members and guest are invited to attend the above event Please contact philpotter2@sky.com.for details. The general format of the day will be follow with entry confirmation.

FREE ENTRY TO THOSE WHO ENTER
