

Trojan Owners' Club TROJAN & VINTAGE VEHICLE DRIVING DAY Saturday 8th June 2019

At Turweston Aerodrome, Westbury, Brackley, NN13 5YD

The Trojan Owners' Club intend to host this event at Turweston Aerodrome, Brackley, on Saturday 8th June 2019. This venue has been chosen as it has an ideal WW2 1000 yard runway that has been converted for vehicle usage. It has lots of barriers and is a safe environment for demonstrating use of vehicles such as the Trojan and other vintage vehicles. This will NOT be a race meeting in any form.

We intend to charge a small entry fee of around £5 per person to attend this event.

We are actively seeking owners of unusual, interesting or quirky vehicles to attend this event. It will allow members and guests to learn or improve their driving skills in a safe environment with guidance from competent users. In order to gauge attendance levels could you please answer the following questions.

1. Would you be interested in attending this event? YES/NO
2. Would you allow your vehicle to be driven by another person on the day? YES/NO
3. Would you be interested in driving a Trojan? YES/NO
4. Could you give us an idea of what vehicle you may like to bring.....

Please register you interest in the first instance to

We would like an invitation to The Driving Day
